
Dear Friend,

The 113th Congress was recently convened, and I have been sworn in as your U.S. Representative in Pennsylvania's 14th Congressional District for the next two years. It continues to be a pleasure to serve the People of southwestern Pennsylvania in Congress.

As you may know, every ten years, Congressional Districts in each state are redrawn to reflect the changing demographics documented in the census required by the U.S. Constitution. In the latest redistricting, Pennsylvania's 14th Congressional District lines were redrawn to include about 100,000 more people (bringing the number of Pennsylvanians I represent up to more than 700,000).

While I have represented many of you in the past, I thought it would be appropriate to let you know which communities are in the new 14th District – and to provide my contact information so that you can share your views on federal issues with me or ask for my assistance in your dealings with the federal government.

<u>Here's a map of the new 14th Congressional District</u>:
